*But ‘Guinea-Bissau: Micro-State to “Narco-State”’, co-edited with another Guinea-Bissau enthusiast Toby Green, is a worthy handing over of the baton (disclosure: Toby kindly reviewed and provided a blurb for my own, less academically rigorous book on the country). The book’s ten chapters, written by an assortment of academics from Guinea-Bissau, its diaspora and elsewhere, provide a thorough and clearly argued analysis of why the country remains one of the poorest in the world four ...*
